Graffiti

Graffiti in project „Ukryte Skrzydła”

Graffiti is led by Wojciech Dera. He started his history with graffiti abroad to bring what was the best to Poland. But now, he thinks that there are too many acts of vandalism confused with the art. He decided to help us by teaching underlying philosophy, essential techniques and how to express yourself via graffiti.

Music

Music in project „Ukryte Skrzydła”

Music is led by Paweł Drózdź. He is a performer who has created lots of good soundtracks with crazy ideas. Paweł is even able to play on the drill. This workshop learns how to create a good music (sound with singing).

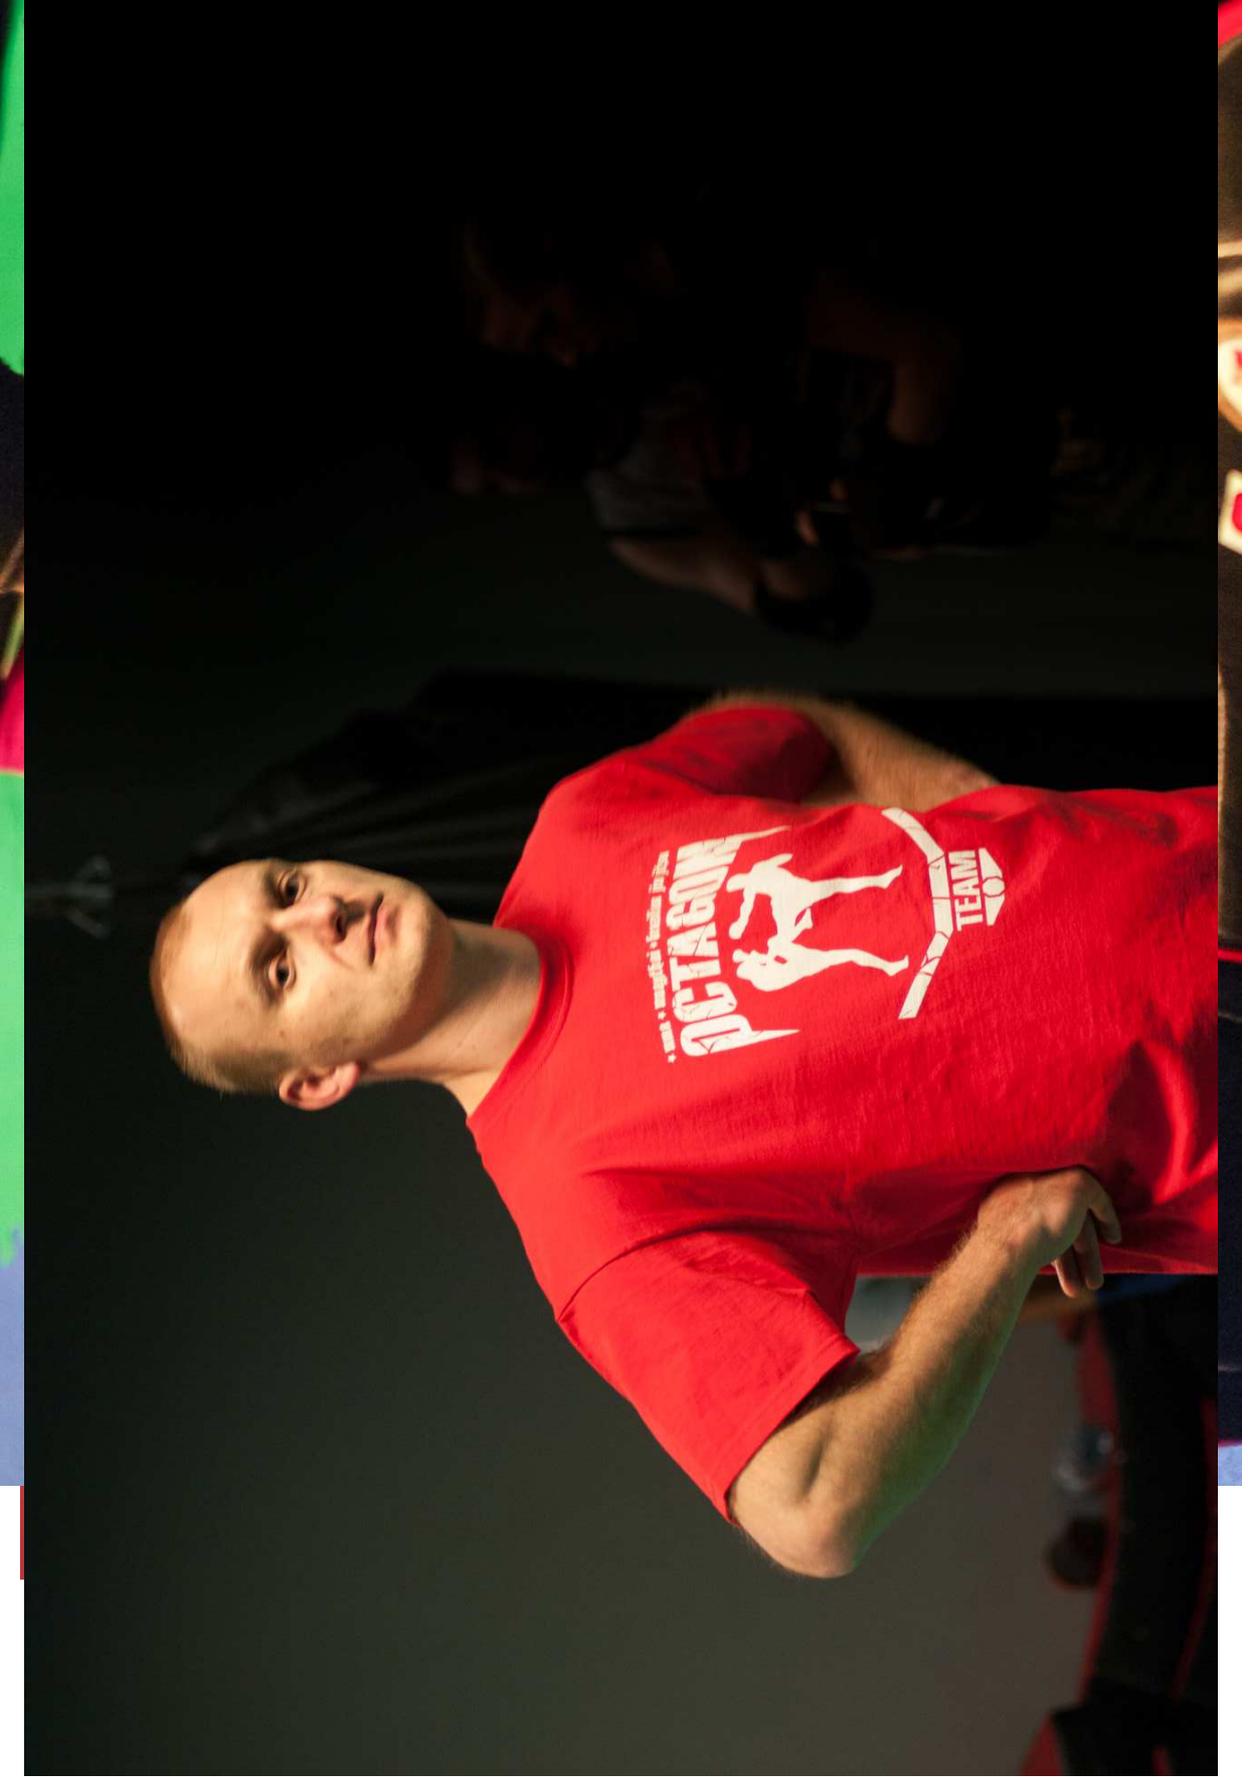

Muay-thai

Babel Images Foundation President & CEO. In "Hidden Wings" he takes care for Social Media group which is some sort of a link between all workshops. Social Media participants will be trained in use of modern media tools and they will gain knowledge how to create their own projects in the future.

No photos here ;)

As the well-known proverb says - the shoemaker's children are ill-shod. Social media crew takes care of photo coverage all Hidden Wings events but nobody took a photo of any social media group member.

Thank you!
