The Mayor Paweł Adamowicz Award

The City of Gdańsk, the European Committee of the Regions, whose member the mayor was, and ICORN (International Cities of Refuge Network, that Gdańsk joined during the mandate of Mayor Paweł Adamowicz) decided to launch an award to commemorate the late mayor and promote the values of **peace, solidarity, freedom and equality**.

The Award represents a strong signal of hope for all elected representatives, officials and ordinary citizens who, despite the risks, live to make democracy work at a local level by supporting better and more open communities.

A Statuette was created by the Polish artist Krzysztof M. Bednarski in 2022 to symbolize courage in defending democratic values.
